LAGRANGE COLLEGE

LAGRANGE
COLLEGE

Welcome

Dear Student:

Welcome! On behalf of the Student Government Association (S.G.A.) I would like to tell you how pleased we are that you have chosen to continue your education at LaGrange.

The S.G.A. is an organization concerned with student activities and interests. The S.G.A. is for you and, with your voice, we can accomplish many things.

Presently, LaGrange is growing in many ways. One facet of growth which we hope you will take part in is student activities. Your involvement and leadership is paramount if we are to insure the growth of our college. We encourage you to pursue your interests and develop your talents by sharing them with our student body.

The S.G.A, Residence Program and Greek Organizations are just a few of the groups which are looking forward to your creative ideas, enthusiasm, and energy. Here at LaGrange opportunities exist for every student who wants to get involved. We hope you will take advantage of them.

If you have any questions or suggestions please feel free to contact any member of the Executive Council or stop by our office on second floor of the Callaway Center or give us a call at 884-5729. Have a great year!

S.G.A. President

Dear Student:

Welcome to LaGrange College. I am pleased that you have chosen LaGrange to further your education and I look forward to the privilege of getting to know you.

LaGrange is committed to the education of the total person. You will find here opportunities that will enable you to grow in mind, body, and spirit. You will also find a faculty and staff who are dedicated to helping you and excited about the possibility of growing with you.

To make the most of your education at LaGrange, I urge you to get involved - take an active interest in your studies, get to know your professors, participate in extra-curricula activities. The strength of your experience here will be determined by the depth of your involvement, and both you and LaGrange will be better for your active participation.

I join the faculty and staff in pledging you my full support during your years at LaGrange College.

Everyone knows that things - gloves, glasses, and umbrellas get lost. But people can get lost, too! We've provided you with this HANDBOOK to help you find your way. You'll find it helpful upon arrival on campus and many times after then.

Philosophy

LaGrange College is a residential, coeducational college of liberal arts and sciences. The College was founded in 1831 as LaGrange Female Academy and its first President was the Reverend Thomas Stanley. Since 1856 the College has been owned by the North Georgia Conference of the United Methodist Church. Throughout that time Georgia Methodists have worked enthusiastically to maintain a number of institutions of higher learning, recognizing education as an important part of the mission of the church. It has been the aim of supporters of these colleges to guide students in Christian discipleship as they relate to the world about them.

LaGrange College, seeing itself as the church at work in higher education, commits itself to maintaining an environment in which the Christian vision of life and society may be cultivated, individual growth and self-fulfillment may be experienced, the love of learning stimulated and preparation for a meaningful vocation may be realized.

With this heritage and mission as a person-oriented, liberal arts institution, LaGrange College declares its purpose in the following objectives:

ACADEMIC EXCELLENCE - LaGrange College is committed to sustaining a superior academic experience and to promoting free inquiry whereby truth may be known.

CHRISTIAN PERSPECTIVE - LaGrange College is committed to the values and ideals adherent in the Christian tradition. The function of the College is to nurture in the college community a deep appreciation of and dedication to those values.

PERSONAL DEVELOPMENT - LaGrange College encourages its students to cultivate self-knowledge and self-worth, to realize individual capacities for independent thinking, to learn coping skills for societal change, to make intelligent choices and to develop convictions worthy of their highest commitments.

RESPONSIBLE CITIZENSHIP - LaGrange College is concerned that its students be prepared and encouraged to become responsible citizens on the campus, in the community and the nation.

VOCATIONAL CHOICES - LaGrange College assists students in making vocational choices and seeks to prepare them with knowledge and skills for their chosen fields.

Advisors

LaGrange College will assign you to an advisor. If you have declared a major your advisor will be from your major department.

If you are a new student or undecided about your major you will be assigned to a special group of advisors called Freshman Advisors, transfer advisor or advisors for undeclared majors.

Your advisor will assist you in planning your academic schedules, in selecting majors, and in making the best academic use of each quarter. In addition, a student can explore academic or career goals, take steps toward improving grades, obtain information about academic policies and procedures, share a concern about a particular class problem, find information about major and graduation requirements, and secure information about other campus support services. Your advisor is a valuable resource; use them to the fullest.

General Degree Requirements

Regardless of what you decide will be your major, if you follow a four-year degree program, you will have to complete the following minimum general requirements involving a minimum of 183 quarter hours of credit.

- Satisfactory work in a major area
- Completion of general requirements
- Electives
- Last 60 hours of credit must be earned at L.C.

In addition to the requirements we have just listed, you must have a "C" (2.00) grade point average in both your major and all of your work.

Class Attendance

It is important that you learn from the very beginning just what each of your classroom teachers require in terms of class attendance. You should also know that absence from class does not relieve you of responsibility for assignments. There is a strong relationship between class attendance and success or failure in the classroom.

Drop/Add - HT 13

After registration each quarter you may drop and/or add classes for a brief period of time. Drops and adds can be accomplished this way:

1. Pick up a drop/add form from your advisor or Registrar's Office.
2. Take the form to your advisor for approval.
3. Return form to Registrar's Office.
4. Pay fees, if there are any, in Business Office.

Withdrawals

Hopefully, you will not find it necessary to withdraw from LaGrange but if you do you must officially withdraw otherwise, you will receive failing marks in your courses.

Procedure

1. Get withdrawal slip from Dean of College
2. Have form signed by various college officers indicated on it
3. Return form to Dean of College after all signatures have been obtained.

The Grading Maze

All college classes issue one of the following types of grades to evaluate course work:

- A. Superior
- B. Above Average
- C. Average
- D. Below Average
- F. Failing

I. Incomplete - This grade is assigned in case a student is doing satisfactory work but for some reason beyond his control has been unable to complete the work during that quarter. This deferment must be given within approval in advance by the instructor and the Academic Dean.

N. No credit or non-credit.

W. Withdrawn passing. Normally a grade of W will not be assigned after midquarter.

U. Withdrawn failing. The grade of U is indicated in computation of grade point average.

O. Penalty failing. This grade is given for a breach of honor and is computed in grade point average.

T. Audit withdrawn.

Each course you take will be worth so many credits. The number of credits a course is worth, often, but not always, equals the number of times the class meets each week. The catalog can tell you how many credits a course is worth. In order to graduate from LC, you will have to maintain a 2.0 (C) average. The following example will show you how to calculate your average:

Class	Credits	Grade	Points
English	5	A (4 points)	20 (5 x 4)
History	5	D (1 point)	5 (5 x 1)
Math	5	C (2 points)	10 (5 x 2)
Physical Ed.	1	B (3 points)	3 (1 x 3)
	<u>16</u>		<u>38 points</u>

In order to calculate the grade point average (GPA) on the above example, just divide the points(38) by the number credit hours attempted (16). In this example the GPA is 2.06, just barely more than the 2.0 average required for graduation.

The information contained in this section is designed to help steer you through the sometimes confusing, sometimes awesome halls of academe. First, remember the college catalogue is the official documents regarding academic policies; hence, you are urged to read it. However, when in doubt, you can consult your academic mentor, your department chairperson, the dean, or the Student Development Office.

...set up your schedule

I thought you WERE going to study for a History Test!

I don't have to... I'm just going to put the book under my pillow...

During the night the answers will seep upward through the pillow and into my head...

I hope!

One of the greatest aids to any student is a study schedule. Start with a monthly calendar with spaces for you to fill in exam dates and dates when papers and projects are due. Marking exam times will keep you aware of what your studying is leading to. Next fill in all the times that you plan to take trips, go to concerts, shows, meetings, and so on. Now you are ready to make up a weekly schedule of your classes and the hours you plan to study. A weekly schedule gives you a clear picture of what you are doing with your time and helps you to spot an extra hour or two during the day that you can use for studying so that you can plan more free time to do what you want.

The steps for effective scheduling:

1. Establish a well-defined and reasonable schedule, one that you can live with.
2. Budget time to prepare for each class and all exams.
3. Study course notes as soon as possible after each class period, rather than waiting until a week before the exam.
4. Give difficult subjects preferred times with the fewest possible interruptions and disturbances.
5. Budget time for leisure activities and follow through with them.
6. Stick to your schedule and reward yourself for having achieved your study goals in the allotted time.

STUDENT ACTIVITIES

Student Government Association

As a member of the LaGrange College Student body you are a vital part of the Student Government Association (SGA). This organization is your voice because it was established by and for the Students and because it operates on the fees that you contribute.

The S.G.A. is made up of essentially three interdependent branches which are important to student life. They are the Executive Council, the Student Council, and the Judicial Council.

The Executive Council is comprised of the S.G.A. President, Vice Presidents, Secretary and Treasurer. The Student Council is composed of representatives from each recognized organization and group. Student Council meetings take place at 6:00 P.M. in Callaway Center every first and third Monday of the month during the regular year. Meetings are open to all students.

The Judicial Council is composed of nine members, three from each of the upper classes. It acts as a court for cases involving infractions of the rules of student conduct.

The S.G.A. is responsible for providing or supporting nearly every phase of student life. Under the direction of the Student Council, and through its committees, the S.G.A. is responsible for everything from concerts to lectures, from Homecoming to May Day from Orientation to Dorm Daze.

The S.G.A. can be as powerful as you want to make it. Your participation and concern could give the student body more influence at LaGrange. Take an active role! Get involved with your Student Government.

SGA Officers

President - Steve Morris

Women's Vice President - Sandy Johnson

Men's Vice President - Bobby Dooley

Secretary - Katherine Keith

Treasurer - Bo Barber

Athletics

Intramural Sports

A basic part of student activities is our intramural program. Everyone is encouraged to participate in athletics at LaGrange. We believe that the training of the body is as important as the training of the mind. We have an extensive program for men and women as team and individual competition is available in such sports as flag football, basketball, volleyball, tennis, table tennis, softball, badminton.

Teams are organized largely on the basis of social groupings or residence halls. We urge you to participate in some form of intramurals.

Also, for your use there is a fully equipped weight room located in the basement of the gym for your use.

Intercollegiate Sports

Annually, six athletic teams at LaGrange compete with other colleges in the GIAC. Many of these teams have received recognition during the past few years. Intercollegiate Sports are: men's soccer, basketball and baseball, women's volleyball, softball and men and women's tennis teams.

LaGrange College has a policy of open tryouts for all students who wish to join one or more of the intercollegiate teams. For information concerning tryouts contact the Athletic Office.

Campus Activities and Traditions

Fuller E. Callaway Student Center

The center of campus social life, the Callaway Center offers opportunities for the students to relax, purchase classroom textbooks, grab a quick snack, meet friends or take part in the many activities regularly scheduled in the center. Meeting rooms can be reserved in the Office of Student Development.

The Callaway Center is open daily to all members of the college community and we urge you to take advantage of all its facilities and programs.

SGA Special Events

The SGA sponsors various types of entertainment for your enjoyment. You will have the opportunity to see folk, country and western, and popular variety acts as well as magic, acrobatic and game programs. Also included are special trips and activities provided during the year. Please be sure to let your ideas and suggestions be known to the Executive Council; they solicit your suggestions.

Forum

The college sponsors speakers and programs of interest to the college community. Forum programs are announced in the calendar and you are encouraged to attend and take part.

Films, Films, Films

The SGA has a VCR and wide screen TV on which they show movies weekly. If you have suggestions as to what movies you would like to see contact your executive council members and they will be glad to accommodate you.

Intercollegiate Athletics

LaGrange College is a member of the Georgia Interscholastic Athletic Conference and offers competitive sports for both men and women. Men's activities include soccer, basketball, and tennis while women can participate in volleyball and softball. LaGrange College takes pride in its teams and they represent the school highly. Drawing enthusiasm and support from the student body and town as well.

Special Traditional Events

Orientation week kicks off the year with a variety of social events. Homecoming is the most notable and colorful of traditional campus events. Homecoming features a parade, smorgasbord, a basketball game, a dance and many open houses, receptions, reunions, and special observances.

Honor's Day, held in May, is a time when the college pauses to pay tribute to the campus' most outstanding scholars. Another spring event is "Step Singing" in which campus organizations vie for trophies in an outdoor singing competition. The Senior Brunch marks the end of an era for the college's senior class members.

Student Organizations

You should never run out of organizations to join on campus. In fact, your biggest problem may be realistically limiting your involvement in order to get the most out of your nonacademic opportunities. At the present time, there are more than 30 organizations which provide a wide range of student-participation activities on the LaGrange College campus.

You are encouraged to plan your schedule to allow time for participation in some activities of your choice. This not only creates a sense of belonging—but of being a vital part of campus life—but also has an educational value in providing a wide range of enjoyable outlets for the development of special interests and talents.

If you share an interest with other students in an area in which there is presently no student organization, why not form a group of your own? It's easy. Just draft a constitution, elect officers, secure a faculty or staff advisor, and submit this information on the appropriate registration forms to the Dean of Student Development Office. Remember, if you wish to use college facilities or the LaGrange College name, your group must be officially registered with the college.

Religious Organizations

The Inter-Faith Council, composed of representatives from various organizations, was established for the purpose of encouraging students to take an active part in their respective religious organizations on campus. Along with coordinating the activities of these organizations, it sponsors various speakers and entertainers that are beneficial to all students. Groups recognized on the LC campus are the Baptist Student Union, Chi Epsilon, Wesley Fellowship.

Greek Organizations

A major factor in the college's social life is the fraternity and sorority system. Through the fraternities and sororities, students are given the opportunity to develop leadership, responsibility, and many lasting friendships.

The Interfraternity Council (IFC) is the coordinating body of the fraternity system. IFC develops policies, rules, and regulations and coordinates activities affecting all social fraternities.

The Interfraternity Council is composed of each of the fraternity chapters on campus: Delta Tau Delta, Kappa Sigma, Pi Kappa Phi.

The social sororities are governed by the Panhellenic Council which develops

The social sororities are governed by the Panhellenic Council which develops policies, rules, and regulations and coordinates the activities affecting all social sororities.

National Pan-Hellenic Group sororities at LaGrange are: Alpha Omicron Pi, Kappa Delta, Phi Mu. Pan-Hellenic Groups are: Alpha Kappa Alpha and Zeta Phi Beta.

Organizations

Circle K, LaGrange College Chapter 102 is a Kiwanis sponsored group of young men and women organized into a service club. Circle K is the world's largest collegiate service organization dedicated to service and leadership training. Guiding principles are the daily living of the Golden Rule and service to the college and community by means of various projects and services.

The Hilltoppers is an organization of students who greet new students and visiting groups and promote the good will and friendship of LaGrange College.

The M.A.A. regulates the intramural sports program, which is designed to offer every male student the opportunity to participate in some competitive sport. Trophies and awards are given to winners in individual sports, and the organization with the greatest number of victories receives the Intramural Sports Trophy.

Omicron Delta Kappa, commonly called ODK, is a national leadership fraternity for men and women. Juniors and seniors are eligible on the basis of character, scholarship, leadership, and service in campus life.

The LaGrange College Honor Society in Psychology is an honorary society for students with at least three courses in psychology who have maintained an average of 3.0 or above.

Phi Beta Lambda is a national business fraternity especially designed for declared business majors. The purpose of Phi Beta Lambda is to provide opportunities for postsecondary and college students to develop vocational competencies for business and office occupations and business teacher education. Phi Beta Lambda also promotes a sense of civic and personal responsibility. Membership is open to any declared business major.

Pi Gamma Mu, Georgia Delta Chapter, is a national social science honorary fraternity. Membership is extended to advanced students in the social science disciplines of history, sociology, political science and economics.

Pi Tau Chi is a national religious honor society for students in the field of religion with a 3.0 average or above.

Rotaract is a Rotary Club sponsored fellowship of college men and women. Rotaract develops leadership and responsible citizenship through service to the college and community.

Sigma is the honorary society for faculty and majors in the Science Division. Membership is limited to those students who have taken at least four courses in science and mathematics.

The Student Educational Association is an organization for those students majoring in elementary and secondary education. This organization is striving to help those going into teaching to recognize the responsibility ahead of them.

The Women's Athletic Association strives to create team cooperation and a spirit of good sportsmanship. Every woman student is a member of W.A.A., which is governed by the W.A.A. Council. The W.A.A. sponsors intramural sports competition.

The Intramural sports program is designed to give each woman on campus an opportunity for participation. Trophies, charms, and letters are awarded to teams and individuals winning the various competitions. The W.A.A. Council referees all the women's sports and also the men's intramural volleyball.

Art Students League is an organization of Art students who share a mutual interest in the expression and promotion of the visual arts.

Association of Computer Machinery is a newly organized group for students interested in computers.

CAMPUS SERVICES

Campus Publications

"Hilltop News" is the campus newsletter written and published by students. The Quadrangle is the college yearbook that dates back to 1914 and contains a visual and verbal record of the college, including activities, organizations, sports, social life and traditions. The Scroll is a publication of creative literary and art works of students. It is printed in the spring quarter.

The Campus Shop is the college bookstore. Located in Callaway Student Center, it provides textbooks, light reading, sundries and other miscellaneous articles such as notebooks, typing paper, sweatshirts, novelty items, posters etc. as well as personal grooming aids and laundry supplies.

Finances

Financial Aid

The college provides financial assistance for eligible students who, without such aid, would be unable to attend. If you wish to apply for assistance you must submit an application to the Financial Aid Office. Details are available there.

Personal Bank Accounts

We urge you to open an account with a local bank to eliminate complications in the management of personal funds. WE PARTICULARLY URGE YOU TO KEEP CAREFUL RECORDS OF CHECKS WRITTEN TO AVOID PASSING WORTHLESS CHECKS.

Check Cashing

- 1) Checks will be cashed in the Bookstore during the hours of 8:30 - 4:00 p.m. Monday - Friday.
- 2) Any returned checks will incur an additional \$8.00 charge.
- 3) If a check is returned, your check cashing privileges will be suspended until the check is cleared.
- 4) After the third returned check, your check cashing privileges will be terminated.
- 5) Two-party checks will NOT be cashed by the college unless written to you by your parents.

Campus Security

Campus security is by a security system under the direction of the Dean of Student Development. The system works in very close cooperation with the LaGrange City Police and with the Resident Directors.

Although the security system makes every effort to increase campus safety, you should remember that the best security system is one in which every member of the community is alert. This means, among other things, that **you** remember to lock your residence hall door and take your key with you; that you do not go anywhere alone at night; that you report all suspicious persons immediately to Security Guard or Resident Director; that you never leave your possessions, including your books, unattended. In connection with your possessions, please understand that the college cannot assume responsibility for your personal property. Check any home insurance policies which you or your parents carry to see if they cover your belongings while you are in college; most policies do.

If you have any problem involving theft, report it immediately to Resident Director or Student Development Office.

Counseling

At some time you may need help with improving your study habits and academic work, understanding yourself or your relationships with other people better, developing knowledge about careers and making career decisions or finding information about employment.

The Student Development Office directs a Counseling Service which includes the Deans, Resident Directors and interns from Auburn University. All of these persons can help you think through possible actions or sort out feelings before they become confused and difficult. We urge you to make full use of the Counseling Service. And, you don't have to have a specific problem in order to talk with one of the counselors. At LaGrange, counseling is really an opportunity for sharing concern and clarifying perspectives with a person who cares about you and is competent to help. Although all counselors are not available in a time of crisis, you are urged to speak to one at any time for any reason.

If you live in a residence hall, a student Resident Assistant lives near you. There are many problems with which they can deal if you will contact them. If they can't help you, they will know to whom to refer you.

Career Development

As you begin to analyze your goals, for many of you the choice of possible careers may be confusing. The Dean of Student Development, whose office is in Callaway Center, serves as a resource person to assist you in obtaining objective information which will help you to begin the process of career planning. The Dean will counsel you as you seek a clearer understanding of your career and college goals. You may find it helpful to take an interest "test", a questionnaire that helps you explore your likes and dislikes for occupations, fields of study, and work.

Commuter Students

Approximately 50% of the LaGrange Student Body lives off campus. If you are party of this 50%, you, in many ways have the best of two worlds. You have the complete range of opportunities that are open to LaGrange Students as well as the advantage of being located in the community - perhaps you know it quite well. For many of you there are time pressures with which you have a really difficult time coping. Classes, studying, traveling, parking, campus activities, a job, and in many cases a family represents very great time commitments. It is vital to begin to organize your time early so that you can enjoy yourself while on campus. Select your activities well, but, by all means set aside time to become a part of campus life. If you discover that you need help in planning how to manage your time and to get the most out of college, talk with your faculty advisor or the Dean of Student Development.

Facilities Available to Commuters - There are facilities in the Callaway Center which are available to you. The lounge located on the ground level next to Hawkes building has a combination of lounge and game room facilities. Located on second floor are meeting rooms and sitting areas that you may use. The Bookstore offers a variety of food and beverages. It's a good place to meet people and relax between classes.

Commuting students can find the answer to many of their questions in the Office of Student Development. The Deans of Student Development are well aware of the special needs you have and are available as a resource to you.

Motor Vehicles - Please take a careful look at the motor vehicle regulations distributed at registration. Commuter students may park in the Vernon Street Lot, Manget-Pitts Lot or the Gym parking lot. Use spaces marked with yellow lines.

Health Services

The Clinic

The College Clinic is located in Smith Building. A registered nurse keeps office hours daily, Monday through Friday. This service is free of charge to all resident students. If you should become ill, it is best to check with the Clinic right away should the care of a physician be needed, the college nurse will assist the student to arrange an appointment with a medical doctor.

Clinic Hours: 8:30 - 12:00 noon - 1:00 - 5:00 Mon. - Fri. **Emergency Calls:** If the clinic is not open, contact your Resident Assistant, Resident Director or Student Development Offices.

Emergency Transportation to the Hospital: In case of serious accident or sudden serious illness in which a student may be unable to talk, bleeding heavily, or unconscious, call an ambulance. A staff member should accompany the student in the ambulance.

Routine Transportation: For routine medical services, you are expected to provide your own transportation.

Health Insurance - The college requires that every full time student carry a health insurance policy. Many family policies cover full-time students until such time as they graduate. You should check to see if this is the case with the health insurance carried by your family. If you discover that you are not covered, the Business Office will be happy to provide information about a policy which the college endorses. Of course, you are quite free to obtain any health insurance policy you may wish.

Community Health Services - Many of the health services are available in the immediately surrounding community.

ALMA MATER

Hail to thee, our Alma Mater,

Guardian of our days;

For thy spirit never failing

We will sing thy praise.

High aloft we hold thy banner,

Ever loyal true;

And to thee, our Alma Mater,

We our pledge renew.

In the mighty groves of learning

Wisdom's path we've sought.

High upon thy lofty hilltop

Visions have been wrought.

From our hearts we sing the chorus

Time shall never change.

Hail to thee, our Alma Mater

Hail to thee, LaGrange.

Residence Hall Life

For at least half of you, your room in a residence hall will be your home. We believe that it is important for your life there to be as positive as possible; your experiences will contribute greatly toward your total education. In the residence hall you will learn much about being in close proximity to other people, solving your own problems, being free and yet respecting the rights and sensitivities of others, and managing your own lives to a large extent.

In order to make your life in the residence hall as pleasant and constructive as possible, the college has developed a staff of professional and peer counselors. Each residence hall has a resident director. Working with the Director are Resident Assistants who live in the residence hall and are specifically trained to assist you in the development of every phase of your life.

Each residence hall has a Residence Council composed of elected representatives and Resident Assistants. The Residence Councils play a prominent role in promoting social life, intramural athletics, and representing student interests.

Residence Policy

Freshmen, sophomores and juniors taking ten or more hours are required to live in college housing, so long as appropriate campus housing is available, unless a student is exempted by the Office of Student Development for one of the following reasons:

1. The student is 21 years of age or over at the time of registration;
2. The student is married and living with spouse within a radius of fifty miles;
3. The student is residing exclusively with parents or legal guardian within a radius of fifty miles; or
4. The student is a veteran with at least two years of active military service.

A senior is defined as a student who has successfully completed at least 135 quarter hours of academic work. All non-dormitory students must have a "Request for On-campus Residence Exemption Form" on file in the Student Development Office. The ruling of the Office of Student Development on all such exemptions shall be final.

Regulations and Guidelines

So that the residence hall may be as pleasant and constructive a place as possible, the following rules and guidelines exist. Please become familiar with them.

- 1) Opening of Halls - Residence halls open the day before registration. The first meal served is the evening meal prior to Registration Day.
- 2) Rooms are furnished with beds, desks, chairs, chests, closets, and blinds.
- 3) Electrical appliances - In addition to all large appliances, the use of the following small appliances and electrical equipment in residence hall rooms is strictly prohibited: hot plates, electric fry pans, microwave, toaster or convection ovens, musical instrument amplifying equipment, space heaters, and extension cords which are not UL approved. A fine of \$20.00 will be imposed on any student who does not comply with these standards. Please consult your Resident Director if you have questions about the use of any other appliances or equipment.
- 4) No water beds are permitted in the residence hall.
- 5) Closing of Halls - Residence halls are closed during Thanksgiving, Christmas and Spring Breaks. You must vacate your room no later than 5:00 P.M. on the day the halls close.
- 6) Room Deposit, Room Changes, and Room Keys.

Reservation and Damage Deposit

A deposit of \$50.00 is required to be remitted with the residence hall application to serve as a reservation and damage deposit.

The room reservations and damage deposit will be refunded unless otherwise forfeited or used for damages. Reservation deposit is non-refundable.

Residence Hall Keys

The key deposit is covered in the damage deposit. Should a key be lost or stolen through the personal negligence of the student, the compromised lock must be changed at a cost of \$25.00 to the student. Should the key be lost or stolen, or broken through circumstances beyond the control of the student, a replacement key will be provided for \$1.00. Keys must be returned to the House Director when the student checks out of his/her room. Duplication or possession of unauthorized keys by a student is prohibited.

- 7) Theft - The College cannot assume any responsibility for stolen items. You are encouraged to lock your room at all times.
- 8) Room Reservations - You may reserve a residence hall room in the Spring of each year. Your \$50.00 deposit will serve as a reservation deposit. If you do not return in the fall and fail to notify the Office of Student Development before August 1 you will forfeit your deposit.
- 9) Breakage and unreasonable wear and tear - You and your roommate will be held responsible for any breakage or unreasonable wear in your room. If responsibility can be fixed upon a certain person, he/she will be expected to pay for the damage. If such responsibility cannot be fixed, however, both people will equally share any cost involved in repair or replacement.

For the above reason, you should carefully check the furniture and condition of your room and report in writing (on room condition forms) and damage condition which you discover upon entering a new room so that you will not be charged. Any student found guilty of willful destruction of College property is liable to dismissal from the college.

- 10) Room Inspection - All residence hall rooms are inspected periodically for health and safety reasons. You will be expected to have your room in good order. For obvious reasons conditions dangerous to health and safety cannot be accommodated.
- 11) Withdrawal - If you withdraw from the college you must vacate your room within 24 hours and have your room inspected by the Resident Director.
- 12) Visitation - LaGrange College has a no visitation policy. However, at certain times visitation may take place in conjunction with special occasions if approved by the Residence Council and Student Development Office.
- 13) Clear Hallways - Safety requires that hallways be clear at all times. Therefore, we cannot permit you to store luggage, ironing boards, bicycles or other personal belongings there.
- 14) Order - In order to respect the rights of those around you, you must be reasonably quiet. Therefore, do not play radios, record players, musical instruments, or television sets loudly enough to disturb other students. Such caution is important especially during study or sleeping hours.
- 15) Food - If you have food in your room, be certain that you store it in tin cans or plastic containers with tight lids or in refrigerators. Uncovered food is too tempting to small unpleasant insect visitors!
- 16) Furniture must remain in the rooms where it has been placed by the College. We must hold you liable for any furniture removed from your room.
- 17) Wall Hangings - Check with Resident Director before hanging anything on walls of your room. Use only approved hangers. Any item placed on walls, doors, furniture, etc. that cause damage will subject you to a charge for the damage.
- 18) Residence Hall Hours - Men and women may enter and leave their residence halls at will. (Women's halls are locked for security purposes at midnight.) Security guards will open doors for you.
- 19) Parental Visits - Parents may visit their sons or daughters at anytime.
- 20) Repair - You should report all needed repairs to your Resident Director.
- 21) Laundry Facilities - If you wish to do your own laundry, laundry facilities are available next to security office on patio. If you use these facilities, please show every consideration for others by removing laundry as soon as the cycle is completed.
- 22) Fire information - If a serious fire occurs in your residence hall, follow this procedure:
 - a) Close all windows and the door to your room and leave the building immediately.
 - b) If the building is filled with smoke, you should stay as close to the floor as possible and hold a wet towel over your face as you exit.

c) Make every effort to stay to the right and in a single file as you exit. It is essential that you DO NOT RUN; however, you should walk as rapidly as possible.

23) Telephone - Pay telephones are located in each residence hall. Students may obtain a private telephone for their room by contacting the local phone company in LaGrange Plaza and making appropriate arrangements. One person will rent the phone and will be financially responsible for it.

24) The possession or use of fire arms or fireworks of any type is not allowed on campus.

25) The possession or consumption of any alcoholic beverage is not allowed on campus.

All students are expected to obey federal and state laws and city ordinances. Good citizenship is a responsibility of students attending LaGrange College.

Student Conduct and Responsibility

A student enrolling in LaGrange College agrees to accept a high standard of conduct in all areas of academic and social life by pledging the following:

In recognition of the obligations and privileges of membership in the student body of LaGrange College, I hereby agree to obey all rules and regulations of the College; to respect and to cooperate with the constituted authorities; to conduct my self honorably; and at all times to live in such a manner as to reflect credit upon myself, my family, and the College. I realize that failure to comply with this pledge subjects me to disciplinary action.

A student who demonstrates that he or she is not in sympathy with the ideals and standards of the College by continuing to violate college regulations after having been asked by a college official to refrain from doing so may be suspended.

Student organizations whose members or guests acting in concert violate these regulations may be subject to college discipline.

Disciplinary cases involving issues of honor in academic matters are handled by the office of the Academic Dean. Disciplinary cases in all other areas of college life will be dealt with by the Dean of Student Development or may be referred by him to the Judicial Council of the Student Government. A student charged with a breach of college discipline will receive the charge in writing, is entitled to a hearing before the Academic Dean, the Dean of Student Development or the Judicial Council of the Student Government, and may appeal a decision of the Academic Dean to the Academic Advisory Committee. He may appeal a decision of the Dean of Student Development or the Judicial Council of the Student Government to the Student Conduct Committee of the faculty. Suspension or exclusion of a student is subject to review by the President of the College.

Code of Conduct

Any of the following actions, or the attempting, abetting, inciting, encouraging or supporting of the following actions constitutes an offense for which students may be subject to disciplinary action ranging from warning to expulsion. In all these cases, students shall have the right to appeal actions taken against them. Under some circumstances, a student may also be subject to action by local authorities; however, such action by off-campus authorities will not forestall disciplinary action by the College.

1. **Academic Dishonesty.** Cheating, plagiarism, submitting another persons material as one's own, or doing work for another person which will receive academic credit are all impremissible. This includes the use of unauthorized books, notebooks, or other sources in order to secure or give help during an examination, the unauthorized copying of examinations, assignments, reports, or term papers, or the presentation of unacknowledged material as if it were the student's own work.

2. **Conduct Endangering Safety and Welfare.** Any conduct which endangers the safety and welfare of other individuals such as hazing, assault, battery, abuse or threat of abuse, on college-owned property or at college functions is prohibited.

3. **Criminal Arrest.** If a student is arrested and charged with a serious or violent crime off campus, a hearing may be held as soon as possible to determine if his continued presence on campus presents a possible threat of danger to members of the college community.

4. **Disorderly Conduct.** Abusive, drunk and disorderly, violent, or excessively noisy conduct on college-owned property or at college functions is prohibited.

5. **Giving False Information.** Anyone knowingly making a false oral or written statement to any member of administration, faculty, staff, or student body with the intent to deceive may be disciplined accordingly.

6. **Use of Firearms, Weapons.** No student may possess, use or sell on campus any weapons or firearms, or any incendiary, explosive, or destructive device, including fireworks, without authorization.

7. **Use of Illegal Drugs.** The use, possession, sale, or distribution of narcotics and drugs, except as expressly permitted by law, is strictly prohibited.

8. **Misuse of Keys.** A student may not possess a key or key-type device to any college facility without proper authorization.

9. **Misuse of Property.** Anyone who misuses, defaces, or damages college buildings, property or Library holdings, or private property located on campus shall be subject to disciplinary action.

10. **Passing Worthless Checks.** It is violation of this code to intentionally pass a worthless check or to fail to redeem a worthless check unintentionally passed.

11. **Unauthorized Visitation.** Being a guest in the residence hall room of a student of the opposite sex or entertaining someone of the opposite sex in one's residence hall room without college authorization is strictly prohibited.

12. **Violation of Residence Hall Regulations.** Students living in or visiting in campus residence halls must abide by all regulations of the halls.

13. **Response to Official Requests.** Students must comply promptly with legitimate and reasonable directions and requests of college officials or security officers in the performance of their duties.

14. **Unauthorized Solicitation.** No one may solicit on the campus without the approval of the college administration.

15. **Theft and Illegal Possession.** The unauthorized taking, misappropriation or possession of any property of Library holdings owned or maintained by the college or by any person on campus is prohibited.

16. **Unauthorized Entry.** A student may not enter, or attempt to enter any college building or room without proper authorization and legitimate purpose.

17. **Fraudulent Use of Telephones.** In the past several years numerous students in Georgia colleges and universities have been arrested and convicted of defrauding the telephone company. Any student who attempts to avoid payment of telecommunications service will be subject to disciplinary action by the college in addition to whatever action is taken by the telephone company or civil authorities.

18. **Inappropriate Dress.** Students are responsible for their own dress within the limits established by individual professors and the cafeteria manager as long as shoes and shirts are included in their attire.

19. **Arson.** Arson, vandalism and tampering with fire hoses, fire extinguishers or fire alarms are grounds for suspension.

20. **Disruption of the academic process.** While students are free to organize and join associations as long as they are open affiliations and not in conflict with any state or federal law or the stated aims of the charter of the College, participation in any form of activity that disrupts the ordinary academic pursuits or the regular operations of the College, that invades the rights of others, or that endangers persons or property, constitutes grounds for immediate dismissal.

21. **Possession of Alcoholic Beverages.** The consumption or possession of alcoholic beverages on campus is strictly prohibited.

Probation and Suspension Policy

When a student is placed on probation as a result of violation of college regulations he/she may not:

1. Participate in any type of extracurricular activity.
2. Be rushed by, or initiated into a fraternal organization, social or honorary.
3. Be a candidate for or be elected or be appointed an officer, editor or business manager of any student publication or student organization.

When a student is suspended he/she must remain off campus for the duration of the suspension unless he/she is keeping an appointment with an official of the College or has permission from the Dean of Student Development to be on campus.

Traffic and Parking Policy

Policy Making Board

There is a Traffic and Parking Board composed of three faculty members, three student members, the college Business Manager, the Dean of Student Development. This Board develops policies, procedures and specific regulations for the control, management of parking, and movement of vehicles on property under control of LaGrange College.

Regulations

The College's vehicle registration, traffic and parking program is designed to protect the flow of pedestrians and to adapt traffic to the topographical limitation of the campus. When parking regulations are in effect, campus parking is restricted to car with proper parking permits. A brochure on traffic and parking regulations is issued with vehicle permits. Copies are available in the Office of Student Development.

Student Records

Policy

The Family Educational Rights and Privacy Act of 1974, dealing with the protection of the right of privacy of students and governs access to and release of student records. The statute provides that educational institutions must provide access to official records directly related to the student requesting that access, and an opportunity to challenge such records (on the grounds that they may be inaccurate, misleading or inappropriate). The statute also provides that institutions must obtain written consent of students before releasing personally identifiable data about students from records to other than a specified list of exceptions (see Access below). The statute provides further that students be notified of their rights as enumerated by that document and that the Department of Health, Education and Welfare be contacted to investigate complaints of alleged violations of the Act.

This section of the Student Handbook is provided to inform students of the rights accorded by the Act and to establish guidelines for the protection of their right of privacy.

Records Maintained

The personally identifiable educational records of each student and former student maintained by the College are open for inspection by the student except in limited cases where the privacy, confidentiality, or professional privilege of another person is involved. The following records and their locations are maintained by LaGrange College:

Academic: Office of the Registrar / Placement: Alumni Office
Financial Aid: Office of Student Financial Aid / Medical: Student Infirmary
Counseling: Office of Student Development / Alumni: Alumni Office
Security: Office of Student Development

Notwithstanding the above inclusive list, certain records are not available for inspection. These include: financial records of parents; confidential letter or recommendation written prior to January 1975; personal records of educational personnel (e.g. professor's grade books); security records; employee records; medical or other professional records, except that the student may have a qualified professional examine the medical record on the student's behalf.

A student may waive the right to inspect records maintained by the College, but the College does not require such a waiver as a condition to attend.

Records Inspection

Requests for records inspection should be directed to the office in charge of maintaining the record. The student has a right to a copy of the record so inspected, with the cost of the reproduction assessed to the student. The student may challenge the inaccurate record and request a hearing concerning any alleged inaccuracy contained therein. Any challenge must establish by a preponderance of evidence that the record is inaccurate. If desired, the student may submit a written explanation of a record's content, which then becomes part of the record.

Access

In the absence of official request, information contained in a student's record remains confidential between the student and the College and will not be released to third parties without the consent of the student - with the following exceptions:

- information for College directories;
- information needed by school officials within the College;
- information requested by officials of other schools to which the student is seeking admission;
- information requested by Federal or State educational authorities needed in connection with receipt of financial aid;
- information released pursuant to State law or subpoena;
- information requested by parents of dependent children.

Any information released to a third party shall contain a statement informing the party that the information provided cannot be released without the written consent of the student.

College Directories

The College may publish the following categories of directory information on each student unless the student requests at the time of his/her registration that any or all of the designated information should not be released:

Student name, address, telephone number
Date and place of birth, major field of study,
Height and weight of members of athletic teams,
Dates of attendance, degrees and awards received,
And the most recent previous educational institution attended by the student.

LaGrange College does not discriminate on the basis of race, color, sex (incompliance with Title IX of the Educational Amendments of 1972) or national and ethnic origin in its admission and employment policies, its educational, financial aid, athletic and other college programs and admits all of its students to the rights, privileges, programs and activities generally accorded or available to students at LaGrange College.
